I still hear the sound of that runaway train  
Both in my heart is like love as refrain  
But I know in my heart I can never go back  
To the way that we were on that runaway track

I see in my soul and I know you're a lie  
You told me I lose control  
Oh I didn't know  
So just leave me alone

But why do I feel so old?  
'Cause I know I'm still so young

Yea, but it all comes down to  
When it all comes down to  
It all comes down to  
It all comes down to  
It all comes down to  
It all comes down to you

You see it  
But then you do it  
And you're so alone tonight  
This heartbreak  
Only choosing God's word to save me  
Love is a battle oh oh oh  
Everybody cries

It all comes down to  
When it all comes down to  
It all comes down to  
Yea, it all comes down to  
It all comes down to  
It all comes down to you

And if you're wondering why

The position in my soul  
And I feel so alone  
Like I'm losing control  
But you're still young, oh yea

Why do I feel so old?  
'Cause I know I'm still so young

When it all comes down to  
When it all comes down to  
It all comes down to  
Yea, it all comes down to  
It all comes down to  
It all comes down to you  
(All comes down to you)

When it all comes down to  
When it all comes down to  
(All comes down to you)  
When it all comes down to  
When it all comes down to  
(All comes down to you)  
All comes down to you  
All comes down to you  
All comes down to you
