In the sand is buried a treasure
A thousand years ago left to me
I am only part of this mystery
Part of the gentle wind blowing
Softly the wind is blowing.
I am only part of this mystery
Part of the gentle wind blowing
Softly the wind is blowing.
By the hand of a mercenary
Lost beneath the sand is mystery
Softly blowing on the wind you cannot see
Part of the gentle wind blowing
Softly the wind is blowing.
Softly blowing on the wind you cannot see
Part of the gentle wind blowing
Softly the wind is blowing.
