Say it takes two to tango  
But a crew to bang, yo  
Superstar shootout  
Overtime at Durango  
Clear out/the box out  
Practice at the range - yo  
Get the D to step back  
Unless they be deranged, dough  
Rae me fa so la ti dough  
The chiza/rarely do missa  
Money earner isa  
Barn burner  
Highlighted by the headturner  
Every step you take  
Televised by Ted Turner  
TBS and TNT  
Sunday drain the tray  
But drew the foul on NBC  
Ain't no stoppin me  
I told yall  
I close the door on the series  
Swept but they ain't here me  
In case you forgot  
This shot is hot  
Boo yoww  
Like Stuart on the Scott  
Haves and have not  
Go cat go  
Let the legend grow  
Game it like you game it  
Better let em all know

1 for the chiza  
2 for the flow  
3 to get the heads ready  
Go cat go  
Go cat go

Go cat go  
High and down low  
Do it like you did

On the brother wit the fro  
Good job baby  
Get the crowd crazy  
Put that finger up at the section ladies  
Scream c'mon scream  
At the chisa and the cream  
Raised up in Brooklyn  
But be ballin down in Queens  
White man's burden  
Be a black man's dream  
Badge over troubled green  
Be a triple team  
Suits and ties  
See the envy in the eyes  
Controllin guys while the  
Buyers lie about the size  
High priced Adonises  
Unkept promises  
Boxscore forgets all the no name threats  
Puttin numbers up  
To get them numbers up  
Keep bouncin  
But whos countin?

1 for the chiza  
2 for the flow  
3 to get the heads ready  
Go cat go  
Go cat go

Go cat go  
High and down low  
Do like you did  
On the brother  
With the fro

Go cat go  
Let the legend grow  
Game it like you game it  
Better let em all know

Go cat go  
Let a player know  
Coney Island style  
Before you go pro
