[Flavor Flav]

Made shit, platinum shit that make you so sick  
Flavor Flav ?time ticks, just count the six to eight  
figures?  
? shut em down at the Ritz  
Thinkin of grits, Kibbles 'n Bits, now I'm in the mix  
Flav be doin just like this  
Off the meat rack, got my money stacked  
Blow out your back, no fakin jacks  
Kid relax, honey I shrunk the kids  
Flipped your wig, on top of the world like 'Pac and Big  
Flavor Flav still stay jig  
Takin a swing, knock you out like Shannon Briggs  
Up on your block, money bustin out my socks  
Yo I'm in it for life, I'm takin a piece of the rock  
Flavor Flav got a lot, so you know I can't stop  
In ninety-eight I'm livin on large estates boy!

Chorus: \*sung\*

Flavor Flav shake yo' booty  
Get rich, do your dance, it's your duty  
Stack paper, and let's get crazy  
Throw your hands in the air then be Swayze  
(repeat 2X)

[Flavor Flav]  
Check out my girls, check out my girls  
Sing that shit G, sing that shit G!

Give me the night, like George Benson  
and have fun, this jam is number one  
We gonna party til it's done, me and DR  
goin real far  
In a black car, fat two-seater  
Rich like Kedar, on my Def Jam's

Let's see how the ball bounce  
I'd lampin, so you know I can't fall  
From Strong Island, still buckwhylin, stylin  
Profilin, eatin at City Island  
Now you know the real score, Flavor's raw  
Catch me on tour, makin mad moves for sure  
Hittin chicks like galore, we're gonna dance  
til we shake the floor, I know you party people want  
more

Chorus

[Flavor Flav]  
Word up yo

Still wear my jewels that's trunk  
Can't mess with the cash that's bad enough tryin to set

Get me messed up in the game, what's my name?  
Watch me flame to the Billboard spot  
I'm HOT HOT HOT, on MTV BET  
The way you see me, V.I.P.  
Don't try to make history  
Stay loyal to fam P.E., ?  
Nigua, burn your face with a ciggerua

Chorus 2X

[Flavor Flav]  
Yeah that's right, two-zero-zero-zero  
I know it's hot Son, it's blazin  
We gon' take this shit  
We gon' flip it to the moon  
Yaknowhatl'msayin? And we gonna flip it off the moon  
back to New York, and flip it down Broadway  
Yaknowhatl'msayin? All the way down to Hot 97  
And we gock it like this, like this yaknowhatl'msayin?
