Go, Go, Go, Go, Go, Go  
Take A look at his style  
Take A check of the sound  
Off the record people keep him down  
Trick a chick in Miami  
Terminator X packs the jams  
Whow gives a fuck about a Goddamn Grammy  
Anyway and I say the D's defending the mike  
Yeah, who gives a fuck about what they like  
Right the power is bold, the rhymes politically cold  
No judge can ever budge or ever handle his load  
Yes the coming is near and he's about to become  
The one and only missionary lord son of a gun  
Going on and on back trackin' the whack  
Explain the knack y'all for the actual fact, c'mon

Terminator X Go off (4X)  
Go, Go, Go, Go, Go, Go

He goes on and on 'till he reaches the coast  
Tired, wired of his own race playing him close  
Understand his type of music kills the  
Plan of the klan  
You know the pack attack the man  
With the palm of his hands  
Police, wild beasts, dogs on a leash  
No peace to reach - thats why he's packin' his black  
piece  
Terminator X yellin' with his hands  
Damn almighty rulin ready to jam  
But his cuts drive against the belt  
Sheet...he's bad by his damn self  
Yeah, his one job cold threatens the crowd  
The loud sound pound to make brothers proud

Terminator X Go off (4X)  
Go, Go, Go, Go, Go, Go

Gettin' small makin' room for it all  
Flavors on the phone so he can...  
Make the call

I know you're clockin' the enemy  
You should be clockin' the time  
Checkin' records I'm wreckin' you  
For defecting my rhyme  
No provokin', no jokin', you know the stage is set  
If you're thinkin' I'm breakin'  
He ain't rocked it yet  
My education is takin' you for a long ride  
I'll have you brain slip and do the slide  
Glide into infinity, it's infinite  
With your hands in your pockets  
I know your money is spent  
Like this, like that, butter for the fat  
If you kill my dog, I'ma slay your cat  
It's like that y'all, can you handle it son  
I'm public enemy number one

Terminator X Go off (4X)  
Go, Go, Go, Go, Go, Go
