Ben Franklin
"Damaged"

So You think you understand her.
But You don't,
Cuz every guy before You has broke her heart in two..

And it's hard for her to pick up the pieces
And it's hard for her to say she believes in love

She's gettin' love

All of the things that she can't to much cause of to,
Haven't got Us

That's whats up
Babygirl is my precious
I'm down for whatever
hey

Cuz if I can take the life from any guy that made You cry
And if I can make You smile

But I know You're damaged
Babygirl is damaged

You're D-A-M-A-G-E-D
You're D-A-M-A-G-E-D
You're D-A-M-A-G-E-D

You're D-A-M-A-G-E-D

Now I know why You wont get closer
Walkin' around with a chick on your shoulder
Got nothing to do with Me
But You've got to learn to see
That every guy ain't like he

But Love
She's gettin' Love

All of the things that she can't to much cause of to,
Haven't got Us

Yes, that's whats up
Babygirl, there is no pressure
Im down for whatever

Cuz if I can take the life from any guy that made You
cry
And if I can make You smile

But I know you're damaged
Babygirl is damaged

You're D-A-M-A-G-E-D
You're D-A-M-A-G-E-D
You're D-A-M-A-G-E-D

You're D-A-M-A-G-E-D

I know it's hard to let go
Yes baby, I know
I'll been there
I've been hurt like You
So let the truth be told
Baby, You know
Don't let the past control with You do

Ain't nobody gon' love You like You
Ain't nobody gon' trust You like You
But she does love

Let Me in Now
Cuz baby, if I could I would save You

Cuz if I can take the life from any guy that made You
cry
And if I can make You smile

But I know You're damaged
Babygirl is damaged

You're D-A-M-A-G-E-D
You're D-A-M-A-G-E-D
You're D-A-M-A-G-E-D

You're D-A-M-A-G-E-D
