Law Unto Myself

I've always been law unto myself.

Danger to my health

You've always been a danger to my health.

Oh so many times

I've always been a victim of your crimes.

And all the alibi's.

You always try to fool me with your lies.

Law Unto Myself

I've always been law unto myself.

Danger to my health

You've always been a danger to my health.

Oh so many times

I've always been a victim of your crimes.

And all the alibi's.

You always try to fool me with your lies.

Law Unto Myself

Law Unto Myself

Law Unto Myself

I've always been law unto myself.

Law Unto Myself

Law Unto Myself

Law Unto Myself

Law Unto Myself

Law Unto Myself

There ain't nobody in your life

Who's with you always.

Someone to keep your spirits high

In one I'm always.

Where is your body, you have pride

Just like anyone.

It's time to leave it all behind.

Law Unto Myself

I've always been law unto myself.

Danger to my health.

You've always been a danger to my health.

Oh so many times.

I've always been a victim of your crimes.

And all the alibi's

You always try to fool me with your lies.

Law Unto Myself

Law Unto Myself

Law Unto Myself

I've always been law unto myself.

Law Unto Myself

Law Unto Myself
