ON THE RUN

All I have - all I possess and all I want is on my back  
Never ever and forever I would stop and leave my track  
You try to get, to get, to come to, to get on the  
Throne  
I can do the same without the cash, can do the same  
Alone

Live live  
Live loud  
With one another  
I am - I am on the run  
Run on - sto-stop it now  
Leave it all - leave it undone  
I am - I am on the run

I keep on walking through the world  
At all the nights, and all day long  
Sometimes I think it's time to think about the things  
Going wrong  
You have to set, to set, it's time for you to set to  
Work  
I think the one who pleads for settling down here is a

Jerk

Live live  
Live loud  
With one another  
I am - I am on the run  
Run on - sto - stop it now  
Leave it all - leave it undone  
I am - I am on the run

Live live  
Live loud  
With one another  
I am - I am on the run  
Run on - sto - stop it now  
Leave it all - leave it undone  
I am - I am on the run

No me gusta  
Mariju - mariju - marijujuana  
Mariju - mariju - marijujuana  
Mariju - mariju - marijujuana  
Juana - juana - juana

Live live  
Live loud  
With one another  
I am - I am on the run  
Run on - stop it now  
Leave it all - leave it undone  
I am - I am on the run
