This morning is following my thoughts  
That didn't let me sleep the whole night  
I would have to go somewhere on other roads  
Because this road I took, I'm not so sure it's right

Say something, I wanna know what you feel  
'Cause you are driving my heart  
Crazy  
Say something, won't you know what I feel  
How long will you keep me  
So far away

This morning I begun to understand  
That feelings can become so true  
I wanna be for you more than just a friend  
More than the others you called them friends, too

Say something, I wanna know what you feel  
'Cause you are driving my heart  
Crazy  
Say something, won't you know what I feel  
How long will you keep me  
So far away

[Say something, I wanna know what you feel  
'Cause you are driving my heart  
Crazy  
Say something, won't you know what I feel  
How long will you keep me]  
So far away, yeag baby

[Say something, I wanna know what you feel  
'Cause you are driving my heart  
Crazy]  
'Cause you are drivÃ¬ng my heart  
Crazy
