Three long months have gone by
Since the tragedy took her life.
It's been so long since we last talked.
Woe is me
I feel so lonely
Woe is me

Take the wheel and drive all you want
Off a cliff or in a river
I don't mind as long as I'm with you.
It's time to live a little more

Memories of your melody
I am driftwood and you are the sea
I am lost in you now get lost in me
Woe is me
I feel so lonely
Woe is me

We are caught between hope and despair
Tell me how this was fair
