Ten years strong
Found myself fooled by a fool
Gave you my heart... You ripped it apart or something
worse
Wanna make you pay for hurting her
You stupid boy
Yeah you're just an empty glass with no remorse for
anyone

It's just the way it goes sometimes...

Say your prayers
Never gonna take you back
It's a breath of air
To let you feel my heart attack
Say your prayers
Never gonna take you back
It's a breath of air
To let you feel my heart attack

No one deserves abandonment
Seems my soul's ripe for the picking
Met a ghost of ghosts to hurt me the most
I've seen enough!
Wish I could replace my hate for pretty things like
singing birds
But it's just too hard to sit and bite my tongue when your
absurd

It's just the way it goes
I'd like to know why it's just the way it goes...

Say your prayers
Never gonna take you back
It's a breath of air
To let you feel my heart attack

Say your prayers
Never gonna take you back
It's a breath of air
To let you feel my heart attack

Say your prayers
Never gonna take you back
It's a breath of air
To let you feel my heart attack

Say your prayers
Never gonna take you back
I'll let you feel my heart attack
