These haters ain't gon like it  
You better talk to a psychic  
If you think, you can't figure out  
Lil Yo next move, you crazaaaaaay

[Lil Mario]

I got these punk ass niggas, trying to figure me out  
What Lil' Yo coming with, or when that boy gon drop  
Well here it is motherfucker, this Street Fame 3  
And ain't no nigga on the streets, going harder than  
me  
You niggas fairy tale rappers, and I see through y'all  
Garden City been known, for breaking bitch niggas  
jaws  
And I don't talk to hoe niggas, who talk too much  
On the other line drunk, giving info up  
Yo what you coming with next, bitch wait and see  
And it ain't official nigga, unless you heard it from me  
I'm the Northstar kid, been hated by many  
But they don't want none of Yo, man I know y'all feel  
me

[Hook - 2x]

[Lil Mario]

Crazy they must be, I had enough G  
Recollecting the game, that these O.G.'s taught me  
Lay low, fight my case and I'm ready  
ATW the corner, and stack feddy  
I'm back on my game, so tell all your friends  
Lil Mario done popped up, once again  
That boy's a young G, can't count him out  
Move dope when it's good, move c.d.'s in a drought  
From Gulfbank to Garden City, represent all that  
And everythang I done lost, bitch I'm getting it back  
I want my plack, and my throne and the title  
Little kids up in the ghetto look up to me, so I'm a idol  
And I hold it down for them, everytime I breathe  
Cause I know, they got they faith in me  
And I'd never tell y'all, what's written down for my plans

Cause y'all might start talking my hand, know I'm  
saying
