I'm in love  
Ooh and I love the feeling  
Hey, I'm in love, I'm in love, I'm in love, I'm in love  
And I love the feeling

The sun seems to shine all the time in my mind  
Since I met you, baby  
All my cares and all my fears are far behind

Hey, I'm in love  
Ooh and I love the feeling  
I tell you I'm in love  
Ooh and I love the feeling

I've got a song in my heart, just one look, that's all it  
took  
I was hooked from the very start  
And the feeling's wonderful, marvelous, heavenly  
You're ecstasy

Hey, I'm in love  
Ooh and I love the feeling  
I tell you I'm in love  
Ooh and I love the feeling

Now listen, I feel like a child on Christmas morning  
That must truly be a miracle  
'Cause I feel like I've been born again  
I'm a happy man, yes, I am

My heart feels light like a bird in flight  
I won't need no air, yeah, yeah  
From head to my toe, don't you know I'm all alone  
I feel ten foot tall

And it's all because I'm in love  
Ooh and I love the feeling  
I tell you I'm in love  
Ooh and I love the feeling

I'm a happy man, yes, I am  
'Cause I've got a girl

Wouldn't trade her for the world, yeah, yeah

Hey, I'm in love

Ooh and I love the feeling

Hey, I'm in love, I'm in love, I'm in love, I'm in love

And I love the feeling

She's never hard to find

'Cause she's always on my mind, yeah, yeah

Hey I'm in love, ooh
