Oh yeah, yeah...yeah
If you want to be in my gang, stake out with me
We'll start a revolution and make the streets free
We'll never weaken, we'll give it our best
Can't be defeated, we're better than the rest
Shoulder to shoulder, we're gonna stand
We're gonna fight till the very last man
Can't be defeated, don't know the word
Shoulder to shoulder, we'll fight the world
We can't be beaten
What do we tell 'em, boys - we can't be beaten
There comes a time when every man must fight
When he believes in justice and right
He'll take so much till he'll take no more
They'll hear us comin' when they hear the mighty roar
Shoulder to shoulder, we're gonna stand
We're gonna fight till the very last man
Can't be defeated, don't know the word
Shoulder to shoulder, we'll fight the world
We can't be beaten
Let me hear ya - we can't be beaten
Sing it out loud - we can't be beaten
We'll tell the wor-orld - we can't be beaten
Now listen, everybody out there in ?.....? - we can't
be beaten
You've got to realise that you're the real people - we
can't be beaten
We can rule the streets - we can't be beaten
It's just up to you and me - we can't be beaten - oh
Can't be defeated, don't know the word
Shoulder to shoulder, we'll fight the wor-orld
'Cause, we can't be beaten, hey-hey, we can't be
beaten
You've gotta believe it, we can't be beaten
They'll soon find out, we can't be beaten
No, we can't be beaten, we can't be beaten [fade]
