Last Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone special

Once bitten and twice shy
I keep my distance but you still catch my eye
Tell me baby, do you recognize me?
It's been a year, it doesn't surprise me

Happy Christmas, I wrapped it up and sent it
With a note saying, "I love you", I meant it
Now I know what a fool I've been
But if you kissed me now, I know you'd fool me again

Last Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone special

Last Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone special

A crowded room, friends with tired eyes
I'm hiding from you and your soul of ice
I thought you were someone to rely on
Me? I guess I was a shoulder to cry on

Last Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone special

Last Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone special

A face of a lover with a fire in his heart
A man under cover but you tore me apart

A face of a lover with a fire in his heart
Now I've found a real love, you'll never fool me again

Last Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone special

Last Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone special

A face of a lover with a fire in his heart
A man under cover but you tore me apart
A face of a lover with a fire in his heart
A man under cover but you tore me apart

A face of a lover with a fire in his heart
A man under cover but you tore me apart
