Sweet little Sheila

You'll know her if you see her

Blue eyes and a crazy smile
Her cheeks are rosy

She loves and she shows me
Hey
This little girl is fine.
Never knew a girl like a little Sheila

Her very name drives me insane

Sweet little girl
That's my pretty Sheila
Hey
This little girl is mine.
Me and Sheila go for a ride
I'm telling you I'm feeling funny inside:
Then little Sheila whispers in my ear
I'm telling you girl
I love you Sheila dear
Sheila says she loves me

She says she never leaves me

True love could never die
I'll be really happy

Just me and her together

Hey
This little girl is fine.
Never knew a girl like a little Sheila

Her very name drives me insane

Sweet little girl
That's my baby Sheila
Hey

This little girl is mine.
Me and Sheila go for a ride

I'm telling you I'm feeling funny inside;
Then little Sheila whispers in my ear
I'm telling you girl
I love you Sheila dear
Sheila says she loves me

She says she never leaves me

True love coul@d never die.
I'll be really happy

Just me and her together

Hey
This little girl is fine

Hey
This little girl is fine . . .
