I'm still learning what love is  
Everyday I wake up in your arms  
I'm still trying to figure out what works  
How to set off all your alarms

I'm still learning what love is  
When I'm walking close to you  
The best way to hold your hand in mine  
The best way is to comfort you

Guess it may, guess it may  
Guess it may, guess it may  
It may always be this way

I'm still learning what love is  
Every time you look at me that way  
I'm still trying to figure out just how  
You can still look at me the same

Guess it may, guess it may  
Guess it may, guess it may  
It may always be this way

Even though I may not get it right  
All the time I will always try  
And I will always stand right by your side

I'm still learning what love is  
Everyday I wake up in your arms  
I'm still trying to figure out what works

Guess it may, guess it may  
Guess it may, guess it may  
Guess it may, guess it may  
It may always be this way
