[woman's voice]

Bobby.. Bobby.. Bobby.. Digital.. Digital.. Digital..

Bobby.. Bobby.. Bobby.. Digital.. Digital.. Digital..

[Bobby Digital]

{*makes that DOODOODOODOO noise over woman's voice*}

Bobby Bobby.. yo..

Belly of the beast, belly of the beast

Yo, yo

The murderous assault catapult lyrics from the vault
The exalted chief annointed, flows double jointed
Ointment of disappointment, opponents can't pinpoint
it

The moment of microphone mystics, merciless
meticulous

Verses disperse the tricks from the surface

Expose those who real and whose nervous

I'm killin your urges, I'm determined

to inject my serum, to your eardrums

Then swell them up, it's the merciless

galactic tactics, of microphone harassment

Impregnates your brain to give your head piece
contractions

Rebirth the thought, Wu-Tang can't be played short

We import and export, uncut dope from New York

Like Nate who sold weight, between Monroe and Gates

Half-ounce to big cake slice to his lowest price rate

Had a deathcase at the weekend when his cousin used
to freebase

A high speed chase and Gods waved in his face

B-O-B-B-Y

Trapped up inside the belly of the beast got to break
loose

Bobby unleashes, the craziest shit

Fuck the world fuck the peace it's..

B-O-B-B-Y

Trapped up in the belly of beast, we gotta break loose

Bobby unleashes, fuck the bloodshed

Yo slugs to your head, you won't make it past me

Hell.. I'm gettin sick
I bugged the fuck out when DMX fucked Taral Hicks
Make me wanna jerk my dick, jerk jerk jerk..
jerk jerk, and bust the fuck off on the next hoe's skirt
E.M.I., I'm wild like G.I., Joe - Magnum P.I.
or niggaz from C.I., on the B drinkin Knee-High
Alpha Phi, Sigma guy, NeoGeo, fuck the C.O. or the P.O.
I'm wild like the Lion Leo
It's a K.O. fuck a J-O.. B
I'm an emcee, D-M-D, W-T-C, B-C, G-P, REC posse's all
in me
Live on TV.. you see the B.. O-B-B.. Y.. D-I.. G-I.. T.. A-L
can never go to jail by NY..PD
F.I.C, try to hold my money hostage
from my last deposit was one mill'
Bobby Steels gettin ill

Still, trapped up in the belly of the beast
Fuck the world, fuck the beast
Bobby unleashes, masterpieces
when I'm trapped in the belly of the beast
And bring the war, and say fuck the beast!
What should I do?
{*makes that DOODOODOODOO noise*}
