I've tried playing it cool
Girl when I'm looking at you
I can never be brave
Cuz you make my heart race

Shot me out of the sky
You're my kryptonite
You keep making me weak
Yeah frozen and can't breath

Some things gotta get loud
Cause if not, they just don't make you see
That I need you here with me now

Cuz you've got that One Thing

So!

Get out, get out, get out of my head
And fall into my arms instead
I don't, I don't, don't know what it is
But I need that One Thing
Yeah, you've got that One Thing

Now I'm climbing the walls
But you don't notice at all
That I'm going out of my mind
All day and all night

Some things gotta get loud
Cuz I'm dying just to know your name
And I need you here with me now

Cuz you've got that One Thing

So!

Get out, get out, get out of my head
And fall into my arms instead
I don't, I don't, don't know what it is
But I need that One Thing

So!

Get out, get out, get out of my mind
And c'mon, come in into my life
I don't, I don't, don't know what it is
But I need that One Thing
Yeah, you've got that One Thing

Oh-whoa Oh-whoa oh. Oh-whoa.

You've got that One Thing

Get out, get out, get out of my head
I'm falling to my arms instead

So!

Get out, get out, get out of my head
I'm falling to my arms instead
I don't, I don't, don't know what it is
But I need that One Thing

So!

Get out, get out, get out of my mind
(Out of my mind)
And c'mon, come in into my life
I don't, I don't, don't know what it is
But I need that One Thing
Yeah, you've got that One Thing
