Leave your cares behind
Come with us and find
The pleasures of a journey to the center of the mind
Chorus:
Come along if you care
Come along if you dare
Take a ride to the land inside of your mind
Beyond the seas of thought
Beyond the realm of what
Across the streams of hopes and dreams where things
are really not
[repeat chorus]
But please realise
You'll probably be surprised
For it's the land unknown to man
Where fantasy is fact
So if you can, please understand
You might not come back
[repeat chorus]
How happy life could be
If all of mankind
Would take the time to journey to the center of the
mind
Would take the time to journey to the center of the
mind
Center of the mind
(echo: the mind, the mind)
