Verse 1:

In the dark of night
You creep into my dreams
I hold my pillow tight
Pretend your holding me
I just close my eyes
Until you come again
Into my fantasy
I start to spin

Bridge:

Impossible, improbable
Irrational, illiogical
Though I try to tell myself
I'm alone there's no one else
I start to sweat I'm soaking wet
'Cause I'm too wrapped up to get out of it
It's taking over me
So I guess that I must be

Chorus:

De-de-delirious, intoxicated
With the thought of us
Tossing, turning yearning for your touch
De-de-delirious, I've got a case
Of something serious
It's like the feeling of needing you so much

Verse 2:

In the light of day
Can't get you off my mind
All my friends can wait
I'm so pre-occupied
I hear you whispering
I feel you touching me
Could this be happening
Could this be real

Bridge

Chorus (2x)

Talking:

I start to sweat, I'm soaking wet
Cuz I'm too wrapped up to get out of it

So I guess that I must be (chorus x2)
