I've never been closer, I've tried to understand
That certain feeling carved by another's hand
But it's too late to hesitate
We can't keep on living like this
Leave no track, don't look back
All I desire, temptation
Keep climbing higher and higher, temptation
Adorable creatures, temptation
With exceptional features, temptation
Trouble is coming, temptation
It's just the high cost of loving, temptation
You can take it or leave it, temptation
But you'd better believe it
You've got to make me an offer that cannot be ignored
So let's head for home now, everything I have is yours
Step by step and day by day
Every second counts, I can't break away
Leave no trace, hide your face
All I desire, temptation
Keep climbing higher and higher, temptation
You can take it or leave it, temptation
But you'd better believe it
Step by step and day by day
Every second counts, I can't break away
Keep us from temptation
Keep us from temptation
Keep us from temptation
Lead us not into temptation
All I desire, temptation
Keep climbing higher and higher, temptation
Adorable creatures, temptation
With exceptional features, temptation
Trouble is coming, temptation
It's just the high cost of loving, temptation
You can take it or leave it, temptation
But you'd better believe it
You've got to make me an offer that cannot be ignored
So let's head for home now, everything I have is yours
Step by step and day by day
Every second counts, I can't break away
Leave no trace, hide your face
Trying to find it, temptation

You've got to get up behind it, temptation
Put your dime in the hot slot, temptation
It's a million to one shot, temptation
You think that you're right now, temptation
You're gotta fake it tonight now, temptation
Give me a breakdown, temptation
Because it's time for a shakedown, temptation
Trying to find it
You've got to get up behind it
Put your dime in the hot slot
It's a million to one shot
You think that you're right now
You're gonna fake it tonight now
Give me a breakdown
Because it's time for a shakedown
(Repeat)
