Uh Oh
Your kiss makes me go Uh Oh
Your love makes me go Uh Oh
Your body makes me go Oh Oh Oh

So you like my way I that I rock my jeans
And your eyes are about to be checking on my baby T
Even though you're just a little bit scared of me
I can tell you're liking what you see
You're stepping in stepping in a dangerous zone so
close
I can't even pack alone
I can tell that you wanna wanna take me home

Boy
Can you read my lips
Can you handle it
You're up to it
Bet your ass to it

Uh Oh
Your kiss makes me go Uh Oh
Your love makes me go Uh Oh
Your body makes me go Oh Oh Oh

Your smile makes me go Uh Oh
Your touch makes me go Uh Oh
Your body makes me go Oh Oh Oh

Can you look me in the eye if I blow a kiss
Can you keep up with the groove when I move my hips
You gotta .
If you're man enough go ahead and make your move
If you're stepping up then you gotta lot to prove
Take a look at the hottest chick in the room

Boy
Can you read my lips
Boy
Can you handle it
Boy

You're up to it
Boy
Bet your ass to it

Uh Oh
Your kiss makes me go Uh Oh
Your love makes me go Uh Oh
Your body makes me go Oh Oh Oh

Your smile makes me go Uh Oh
Your touch makes me go Uh Oh
Your body makes me go Oh Oh Oh

Don't you know what's happening to me
I didn't know that I could fall so easily
I'm not sure what I'm feeling
I don't care cause you're the one who's making me go
