Just let ourselves get together right now.
Ball and Chain!!!
Yeah, I heard that, man. How are you, how, I mean, er,
how are you out there ? Are you are you
OK ? You know that you stand stoned and you got
enough water, got a place to sleep and
everything. What does that mean ? Huh ? Because, you
know, because all of us, you know, I don't
mean to be preachy but we ought to remember that in
that case it means promoters, too, that music's
for grooving, man, that music's not for putting yourself
in bad changes. You know, I mean you
don't have to go take anybody's shit, man, just to like
music, you know what I mean ? You don't. So
er, so if you're getting more shit than you deserve, you
know what to do about it, man. You know,
it's just music. Music's... music's supposed to be
different than that.

Hey, come on, come on, come on, come on!

Didn't I make you feel, oh honey, like you were the only
man I ever wanted, that I ever needed ?
Oh ho, honey, didn't I give you nearly everything that I
ever had to give ?
Oh, you know I did!
But each time I tell myself that I, I think I've had
enough,
Well, I'm gonna show you, baby, that a woman can be
tough.

I want you to come on, come on, come on, come on
and take it,
Take another little piece of my heart now, baby!
Break another little bit of my heart now, darling, yeah,
yeah, yeah.
Have a, have another little piece of my heart now,
daddy daddy daddy,
You know you got it if it makes you feel good,
Yes indeed, whoaa.

You're out on the streets, you're looking good,
Honey, deep down inside I know you know it ain't never
been right,
Never, never, never, never, never, never, never, never
hear me cry at night, oh!
Each time I tell myself that I can't stand the pain,
But when you hold me in your arms, I'll sing it once
again.

Say come on, come on, yeah, come on, come on and
take it!
Take another little piece of my heart now, baby.
Break another little piece of my heart, darling, yeah,
yeah, yeah, yeah.
Have another little piece of my heart, baby, baby, baby,
You know you got it, if it makes you feel good.
I want you to feel good now, yeah!!!

Say come on, come on, come on, come on and take it,
Take another little piece of my heart now, baby!
Break another little piece of my heart, darling, yeah
yeah yeah yeah.
Have a, have another little piece of my heart, baby,
baby, baby.
You know you got it "yeah" alright!!!

Say! Whoaa, have another little piece of my heart now,
daddy,
Break it, break it, break it, I want you to want it, take out
the inside of me,
Have another little piece of my heart now, baby, baby,
baby.
You know you got it, if it makes you "yeah" "yeah"
I want you to feel good, Lord, alright!!!
Yeah!!
