If I had all of the cameras in the world
Could I be sure I would be beautiful?

In that frame of mind
And I, I wanna be beautiful like I was then
Every day when you loved, you loved me

Why should I care, when I left you years ago
You were ugly then, but now you're so beautiful

In this frame of mind
And I, I wanna be beautiful in somebody's eyes
Like it was when you loved, you loved me
You loved me so never let go off me

And why should I think things any different
It's always the same, how can I blame you?

When I'm in this frame of mind
And I, I wanna feel beautiful, deep inside
Like it was when you loved, you were loving me
You were loving me so never let go off me
[Incomprehensible]

I'm tired, and so lazy
It's been so long on my own
I'm so tired and lackadaisical
I don't like to be alone

I want to be sweet, want to be powerful
Empty and free from all the things that keep me

In this frame of mind
And I, I wanna be beautiful all the time
Then no one can take that, take that from me

I wanna be beautiful all the time
Then no one will take that, take that from me

Oh so beautiful, I know I will be
And no one can take that from me
