Bend me, you wont break me,  
it don't matter to me baby  
Cause I'll always love you anyway  
Played all of our cards,  
collecting the rewards  
For my love is here to stay

Cause now you can talk to me  
You can see right through me  
You made me the person that I am

I remember, just like it was yesterday And I think it's  
better to love  
and to live with the pain  
Than to never let it  
in to your heart

Sittin' here thinkin', rememberin' us drinkin' And layin',  
around all day  
Yes I was crazy,  
you were damn lazy  
But I wouldn't trade it for anything

Cause now I can talk to you  
I know what you've been through  
And you know I will always understand

I remember, just like it was yesterday And I think it's  
better to love  
and to live with the pain  
Than to never let it in  
oh, I know your secrets,  
and I'm gonna keep them Safe  
and warm deep inside  
If you ever need me,  
you better come see me  
Cause you can come runnin any time

I remember, just like it was yesterday And I think it's  
better, it's better to love and to live with the pains  
Than to never let em in

Oh bend me, you wont break me  
Don't matter no more baby  
Cause I'll always love you anyway
