Bend me, you won't break me
Don't matter to me baby
'cause I'll always love you anyway

Played of all our cards
Collecting the rewards for
My love is here to stay

'cause now you can talk to me
You can see right through me
You made me the person that I am

And I remember just like it was yesterday
And I think it's better
To love than to live with the pain
than to never let it in to your heart

Sittin' here thinkin
Rememberin' us drinkin
and layin' around all day
Your sound was crazy
You were damn lazy
But I wouldn't trade it for anything
'Cause now I can talk to you
I know what you've been through
And you know I will always understand
And I remember just like it was yesterday ohhhhh
And I think it's better
To love than to live with the pain
Than to never let it in

Ooh I know your secrets
And I'm gonna keep them
Safe and warm deep inside
If you won't believe me
You better come see me
'cause you can come runnin' anytime

Oohhhh I remember just like it was yesterday
ooooh yes I do
And I think it's better
It's better to love

Than to live with the pains
Than to never ever let

Oh bend me, you won't break me
It don't matter no more baby
'cause, I'll always love you anyway
