ENCORE-Leila

Of all that I can wish for still no smile upon my face
for no valuable reason, I just stare a head and gaze
I know that I'm a hypocrite, don't deserve to be
depressed
Look, breath, can't ask not to dress me, how we beat
the best

Chorus: It's hard to live, it kills to love
When everything is not enough
Your greatest luck, my greatest bore
And all I can ask for is ENCORE

I try, I tried hard enough
There's no such thing as lust
I'm grateful for your effort
Well just thanks a lot I guess
Don't know exactly what I want
or what I'm wishing for
Hell
It's dangerous to know that all I ever want is more

Chorus

And more and more and more, encore encore encore
encore

I don't maybe look for father
sure I've made myself again but still, your perfect girl
You've seen the bad, here comes the worst
I always want the universe
but you are just my world

Chorus

Encore encore encore encore encore encore ENCORE.
