I wore my favorite shirt ten days in a row
I'm a secret
I've heard lolly pops, geeky, yes I know
I don't make your fork,
expecting more from meee, so do I, sometimes

I know every tune by heart from my tv-shows
I love rainbow coloured bracelets, and cheeto's
I don't break your fork
wanting more from mee, so do I, sometimes

Chorus: I never wanna be anyone else but me
I'm slightly different from the girl you wanna see
I know my bests, such a beautiful mess
See, baby, I got no-one to impress

I've seen a curtains with window-view at fall
I always wear my good-luck ring, everywhere I go
I don't blame you for sometimes boring me, so do I,
sometimes

Chorus

Call me crazy, call me weirdo, call me strange
call me anything, I know I'll never change
See I don't give a f*ck if I don't pass your test
I'm the only one that I have to impress

Chorus

I got no-one to impress

Call me crazy, call me weirdo, call me strange
call me anything, I know I'll never change
See I don't give a f*ck if I don't pass your test
I'm the only one that I have to impress

Chorus

I got no-one to impress....
