Won't be your angel - Leila

I'm only ugly to make you feel prettier,
dumb to make you smart
I'll be your coward if you wanna be the hero
I'll be cool if you wanna be hot
How can no-one understand me, so you can call me
freak
I'll be cliché, stereotypical, so u can be unique
If that is what you seek

Chorus: Won't be your angel babiee
Only your heaven down to earth
won't take your pills
won't catch your bullets
I won't take away your hurt
I'll boost your self-esteem
Distract them when they crash your dream
The more you hide
the more they'll see
you only live through me

I'll be a clown, if you wanna look serious
i'll be bitter if you wanna be sweet
I'll be vulnerable, i'll scream your name, and you can
watch me bleed
if that is what you need

Chorus

I don't wanna be a shirt
I don't wanna be a saviour
I don't wanna be your painter when you think you're
feeling blue
I don't wanna live your life
I don't wanna have you laughing at me
when the joke is really on you x2

Chorus x 2
Through me
