You say that you're born again, cleansed of your
former sins
You want me to say, I'll forgive and forget
But you've done too much to me, don't you be touching
me
Go back and touch all those women you've met

God may forgive you but I won't
Yes, Jesus loves you but I don't
They don't have to live with you, neither do I
You say that you're born again, well, so am I
God may forgive you but I won't, I won't even try

The kids used to cry for you, I had to try to do
Things that a Dad should do since you've been gone
You really let us down, you may be Heaven 'bound
But you've made one hell of a mess here at home

God may forgive you but I won't
Yes, Jesus loves you but I don't
They don't have to live with you, neither do I
You say that you're born again, well, so am I
God may forgive you but I won't, I won't even try
