Got an ex-old man and an ex best girlfriend
Took his ring off my finger, gave him back his last
name
So, don't judge me, I'm doin' the best I can
Got a damn good reason for this drink in my hand
Got an ex-old man and an ex-best girlfriend

No, I didn't see it coming, she was sly as could be
I was cryin' on her shoulder, he was cheatin' on me
She never let on that it was her stealin' his love
But I wise up

I got an ex-old man and an ex-best girlfriend
Good riddance to 'em both, I really don't need them
I was workin' two jobs, they were foolin' around
Crossed my mind to put 'em six feet in the ground
I got an ex-old man and an ex-best girlfriend

Trust may be somethin' that I live without
It's gonna take awhile to remove my doubt
But everyone around you at some point will let you
down
That's how I feel now

I got an ex-old man and an ex-best girlfriend
I got an ex-old man and an ex-best girlfriend

Now, I heard it through the grapevine he's tired of her
Guess they're finally gettin' what they deserve
The last time I saw him, he had the nerve to hit on me
How sleazy can you be

I got an ex-old man and an ex best girlfriend
Took his ring off my finger, gave him back his last
name
So, don't judge me, I'm doin' the best I can
Got a damn good reason for this drink in my hand
Got an ex-old man and an ex-best girlfriend

Got an ex-old man and an ex-best girlfriend
