Bicycle, tricycle
Take me far
With my hands
On your handlebars

I can't be
The homecoming queen
For every boy that falls
In and out of love with me

I won't look back, I've been here before
Been here before
I'll turn my back whatever it takes to let him go

Flower dress
Strawberry red
I must confess
You're my safety pin

And hold me together
Hide me well
So he cannot tell
The state that I am in

I won't look back, I've been here before
Been here before
I'll turn my back whatever it takes to let him go

Roller skates
Figure eights
Roll me away
And I won't complain

And I'll bring my raincoat
Boots and umbrella
So he can't ever
Rain on my parade

I won't look back, I've been here before
Been here before
I'll turn my back whatever it takes to let him go
