Charlotte you're not getting any younger  
Look at how much you've changed  
Charlotte you used to be much happier  
But it's not you that's to blame  
Charlotte you let him push you round  
And you're falling apart at the seams  
One day he'll get just what he deserves  
And you can be yourself once again

I heard the two of you yelling last night  
Him threatening you once again  
I heard the gun shattering out from your house  
I saw him dead on the chair  
Charlotte go now and drive far from this town  
And I'll tell the cops everything

How I saw him stumbling late in the night  
And take his own life recklessly
