I can't, I can't stop crying  
Everyday I'm so afraid, afraid of dying  
But death already came and got me  
'Coz I'm not living, I'm not living anyway

And who am I supposed to be?  
Everybody seems to see except for me  
Who cares anyway?  
'Coz when it's over, it's all over  
And what you gained you throw away

And when will love ever find me?  
All my life, all I've craved is to be seen  
Who cares anyway?  
'Coz when it's over all that matters  
Is the love you gave away
