Gradually, I will get wiser
I will get stronger
I will be bolder
I will not settle
I will flirt back
And I will stand up
Or I will sit back

All this time you thought I was weak
When I was just pretending
I was just pretending
All this time you made me believe
That I should be sorry
I should be sorry

Gradually, I will out-run you
I will out-grow you
I will ignore you
I will see clearer
I'll overcome
And I will acknowledge
How far I have come

All this time you thought I was weak
When I was just pretending
I was just pretending
All this time you made me believe
That I should be sorry for making me fall

Gradually, I will get older
And I will get wiser
And I will move slower
I will see clearer
I'll overcome
And I will acknowledge
How far I have come

All this time you thought I was weak
When I was just pretending
I was just pretending
All this time you made me believe
That I should be sorry

You should be sorry for making me fall
