I'm still learning what love is Everyday I wake up in your arms I'm still trying to figure out what works How to set off all your alarms

I'm still learning what love is When I'm walking close to you The best way to hold your hand in mine The best way to comfort you

Guess it may Guess it may Guess it may Guess it may It may always be this way

I'm still learning what love is Every time you look at me that way I'm still trying to figure out just how You can still look at me the same

Guess it may
Guess it may
Guess it may
Guess it may
It may always be this way

Even though I may not get it right All the time I will always try And I will always stand right by your side

I'm still learning what love is Everyday I wake up in your arms I'm still trying to figure out what works

Guess it may
It may always be this way
