Oh Lorraine, Oh Lorraine  
Looks like tears again.  
Don't ever get too far.  
Things are just the way they are  
So let it go and say you tried  
One last goodbye.

Oh Lorraine, Oh Lorraine  
So much life left in your veins  
What could your heart have left unclaimed  
Could nothing ever stay the same?  
Why do good friends go away?  
No more turn pikes, new york street lights, no more  
plane flights for a ways

Oh Lorraine, Oh Lorraine  
Mother warned you of such things  
Love can give and take away.  
Peoples words can rearrange  
With so much left to say  
No more turn pikes, new york street lights, no more  
plane flights for a ways  
No more turn pikes, new york street lights, no more  
plane flights for a ways  
No more turn pikes, new york street lights, no more  
plane flights for a ways
