Tonight I'm like a paper doll
Dress me in what you wish I had on
And I will not say a thing
I will keep smiling
I'll just keep smiling

Here I am, wordless again
You dress me up different way
Flat and thin, speechless within
You dress me up different ways
I just can't be sure I'll ever change

And I do not like the clothes I wear
I'd sooner throw them into the air
But I will not say a thing
I will just keep smiling

Here I am, wordless again
You dress me up different way
Flat and thin, speechless within
You dress me up different ways
I just can't be sure I'll ever change

Why is it now
That you've cut me out
Of everything I was used to now
It's not that I
Stand here no choice
I will choose not to raise up my voice

Here I am, wordless again
Wordless again.
And I just can't be sure I'll ever change

Tonight I'm like a paper doll
Cut from the page that I once lived on
And I will not say a thing
I'll just keep smiling
I'll just keep smiling
I'll just keep smiling
I'll just keep smiling
