Why waste your time
There is nothing left
The voices in your head tell you to do it
No one will care, no one will know
Everyone just looks out for themselves

It's so hard letting go,
Letting go of love
It might cause some pain I know,
But pain is all we got

Lalalalalala

Why waste more time
Time is all you have
Careful what you say
They'll hold you to it
No one will care, no one will know
Everyone feels sorry for themselves

It's so hard letting go,
Letting go of love
It might cause some pain I know,
But pain is all we got

It may be the only way to know
If you can get yourself back up
