No one tells me where to go,
No one tells me what to do today
Cause I don't know where I begin,
I don't know where I'm gonna end today

And I feel just like a child,
Thinking everything is mine, at the drop of a dime
And I'm walking round this town
I'm looking up, I'm looking down
I'm singing, singing out..

I don't wanna wait,
I don't wanna wait,
I don't wanna wait
Thinking everything is alright.

Moment that I wait,
or I hesitates a moment that I waste
And I can see it all passing me by,
I can see it all passing me

The streets, the bars, the restaurants.
The foreign tongue, the ambiance they gave.
A day, a week, a month it seems
I'm always runnin out of steam and then

Oh I feel just like a child,
running around getting wild,
Unaware of the time.

Cause it's here and then it's not
and I recall what I forgot
I'm singing, singing out

I don't wanna wait,
I don't wanna wait,
I don't wanna wait
Thinking everything is alright.

Moment that I wait,
or I hesitates a moment that I waste
And I can see it all passing me by,

I can see it all passing me

They say, good things come.

It's worth it.

But I feel just like a child,

I feel just like a child

Singing, singing out..

I don't wanna wait,

I don't wanna wait,

I don't wanna wait

Thinking everything is alright.

Moment that I wait,

or I hesitates a moment that I waste

And I can see it all passing me by,

I can see it all passing me
