It's been a long day
And all I've gotta say is make it strong
It's been a long day
And all I've gotta say is I've been wrong
So take a league of absence
Tell me you'll be gone
I don't wanna see your face
It's been a long day
And I just wanna hide away

It's been a long week
And all the lines come down heavy on me
It's been a long week
I'm finally feeling like it's ok to break
Into a thousand pieced
No one can replace
Only I can find my way
It's been a long day
And I just wanna hide away

It's been a long year
And everyone around me is disappearing
It's been a long year
And all this mess around me is finally clear
So can I have a moment
Just to say hello
Can u let your anger go
It's been a long year
And I'm finally ready to be here
