Love, show me the way when I am lost and hope begins
to
Fade.
Love, timeless and true,
Whenever I need strength I look to you
Tonight
My faith is strong enough to see me through tonight
He's gotta trust in love the way I do
We gotta hold on tight, tonight.

Chorus:
Hold on
Nothing's gonna stop us if we just believe
In love.
Hold on
There's nothing under heaven we can't overcome.
Hold on

Now I see a way
How the tide will turn and the part I'll play.
It's all part of a plan

You don't have to know or understand
Tonight
I'll see it all unfold before my eyes,
Tonight
With fortune on our side and love to guide me
The future is looking bright
Tonight

Chorus:
Hold on
Nothing's gonna stop us if we just believe
In love.
Hold on
There's nothing under heaven we can't overcome.
Hold on
Hold on
There's nothing under heaven we can't overcome.
Hold on

And though the road ahead may be unknown,
We'll make it if we hold on.
