Lean on me, lean on you
You got a phone, I got one too
We can take a sip and smoke a blunt or 2
Lean on me, lean on you
Lean on me, lean on you
You got a phone, I got one too
We can take a sip and smoke a blunt or 2
Lean on me, lean on you

Work Â... pink poneys
Yeah IÂ'm getting the money hanging with them weak
connies
Hoes and purple panties
Mary pushing past me
Moppin my shit, a nigga mad that IÂ'm gladly
Sippin slow, at the red light
Hopin this bitch get ghost knowin I hit before
ThereÂ's a lean about his toast and maine I let it roast
Used to spend a dollar on dope and not the liquor
Now I spend a dollar on dope but none occasional
Coke, co or pro pro meth, yeah IÂ'm activist
For the activist, you an actor
Actually an actress
Kill the late stacks and might smack your bitch
Styrofoam gum but it lean left, one night the turn up
Bout to squeeze blood from the turn up
Power how the blunts burn up
These bitches better learn us
A hunned on they summers couldnÂ't turn us
Steamin like a hot furnace
The boys got burners, the attitude in that turn up
Shit and rap burgers, I pack the tracks murder
Just leanin off the syrup, satellite swerving to the right
High as a kite, wish I could do a couple nights
Might buy a couple pints
Polarize, the lower size,
Niggas oughta know IÂ'm high

Lean on me, lean on you
You got a phone, I got one too
We can take a sip and smoke a blunt or 2

Lean on me, lean on you
Lean on me, lean on you
You got a phone, I got one too
We can take a sip and smoke a blunt or 2
Lean on me, lean on you

Iâ€™m so high, baby Iâ€™m so high
Baby Iâ€™m so high, baby Iâ€™m so high
