Oh well I know where you're goin'
I see where you've been
Don't you know by now
you never take life on the chin?
Still you sit and wonder
why the past is gone
Baby, you'll go under
if you don't carry on

Don't misunderstand me
I realize it ain't easy to take
But you've been hidin'
and I've been ridin' like
the wind to find you, hey

Just you

I don't need no promises
just tell me the truth
Mister, keep it honest
that's all I ask of you
Don't be second-guessin'
'bout where you want to be
Baby count your blessings
'cause you won't find one like me

Don't misunderstand me
I realize it ain't easy to take
But you've been hidin'

And I've been ridin' like
the wind to find you

(instrumental)

Well now lady put your dress on
grab them fancy shoes
Honey I'm ready and waiting on you
Time is surely wastin'
we've so much to do
We're both too smart to be fakin'

And I know it doesn't
matter which road we take
Or if it's your way or my way
Well lady let me tell you
what we're gonna do (uh huh)
We're gonna ride every highway

Don't misunderstand me
Babe I realize it ain't easy to take
But you've been hidin'
And I've been ridin' like
the wind to find you
To find you

To find you
To find you
To find you
