Unpack moments
The girl in a red coat turns

Passing
Entering
Going places

Bring her name
Under the chain of lights
Kneeling down
She throws herself into sound

Passing
Entering
Going places

Seen from above
This is instant living
Seen from above
This is instant living
Seen from above

This is the beginning
Of the night
And memories are watching
As she does the move

They glide through
Holding letters with collected time

Passing
Entering
Going places

Passing
Entering
Going places

Seen from above
This is instant living
Seen from above

This is instant living
Seen from above
This is instant living
Seen from above
At first and then, na-na na-na-na
At first and then, na-na na-na-na
At first and then, na-na na-na-na
At first and then, na-na na-na-na
At first and then, na-na na-na-na
At first and then, na-na na-na-na
At first and then, na-na na-na-na
At first and then, na-na na-na-na
