There was something
Written down
Somewhere.
I dont quite remember where.
But,
Thats not so important
Now is it?

There was something
Written down
Somewhere.
I dont remember who
Wrote it,
Nor the year.
And I cannot recall
Word
By
Word
What it was.
But,
It brought a feeling of
Its difficult
To explain.
But,
I sort of had the
Urge to,
Well,
Write it down.

And perhaps
Even memorize it,
So that
I could
Impress you

There was something
Written down
Somewhere.
I dont quite remember where.
But,
Thats not so important

Now is it?

As long as there was something written

Down!
