I am Pegasus, my name mea-eans horse
And I can fly-y with you
But I've changed my course
I am Michael, I am Jeffery and John
And I don't have to leave you
But I shall be gone

I am Genesis, I have no-o fear
I make my plans to land for
I plan to stay here
I am Simon, I am Demetrius and John
And I don't want to leave you
Unless you want me gone

I am fly-ying, but let me down
Oh I don't need the thi-ings
That once kept me around
It's not too late
To know who I am
I am Sagitarius

I am fly-yin' but let me down
Oh I don't need the thi-ings
That once kept me around
It's not too late
Do you know who I a-am

I am Pegasus, my name mea-eans horse
And I can fly-y with you now
But I've changed my course
I am Michael, I am Jeffery and John
And I don't have to leave you

I am Pegasus, my name mea-eans horse
And I ca-an fly-y with you now
But I've changed my course
I am Michael, I am Jeffery
I am Demetrius and John
And I don't have to leave you, no
No-no-no-no [fade]
