"As If"

You thought you had it all
And you had all you need
You thought that you could fly
But now youre on your knees
Cuz JESUS will keep you humble
You will reap what you sow
Tell me what do you know
Are you going to Heaven?
Cuz a storm is comin,
Its about to blow
And the Bible told you what to do
So dont act like you dont know

As if you didnt know
As if you didnt know
As if you didnt know
As if you didnt know

So dont look back And make excuses
Cuz ignorance aint bliss
Eternal life is what youll miss
Cuz Heaven is very real
So change your style And live to make him smile
Cuz I wanna see you in Heaven
Cuz theres a party up in the sky
And the Bibles your invitation
So hold on to his words

Pride will always fool you
To believing whats not true
And in the end it will leave you all alone
Humble yourself my brother
Cuz the time is coming soon and if you wanna reach
eternal bliss
You know what to do...
...When the Bible told you so
