I knew the search was over  
The first time I saw your smile  
I must have made the right choice  
Cuz now I need you all the time

Daytime, nighttime, rainy days, sunshine  
What are you waiting for?  
Good days, bad days, Saturday, Sunday  
Theres so much more in store

Just ask for more  
Our love could be much stronger  
Ask for more  
Our love could be much bolder  
Ask for more  
Cuz we should be together  
Ask for more  
Through any kind of weather  
Ask for more love, ask for more  
Ask for more love, ask for more

Words sometimes seem to fail me  
But you must know how I feel  
Cuz our loves gettin stronger  
Feels good to have something real

Daytime, nighttime, rainy days, sunshine  
What are you waiting for?  
Good days, bad days, Saturday, Sunday  
Theres so much more in store

Just ask for more  
Our love could be much stronger  
Ask for more  
Our love could be much bolder  
Ask for more  
Cuz we should be together  
Ask for more  
Through any kind of weather  
Ask for more love, ask for more  
Ask for more love, ask for more

Ooh la la, na na na  
In my heart youre a superstar  
Cuz your love sets me free  
And make me feel complete  
Cuz love grows when you let it  
Feels good when you get it  
Love can make you feel supreme  
And make you start to dream  
Elevate to a higher plain  
Good lovin never change  
Nothin ventured, nothin gained  
So break down the barricades  
Stay with me throughout the race  
Until our senior age  
I got so much love in store  
All for you, just ask for more

Just ask for more  
Our love could be much stronger  
Ask for more  
Our love could be much b
